Khun Kim
FOUNDER OF THAIKHUN

I'm Khun Kim, and this menu tells the story of where it all began.

My love for cooking began in my mum's kitchen in rural Thailand. At 15, I moved to Bangkok to follow my dreams, opening my first Pad Thai cart in 1993. That humble beginning grew into a collection of bustling street food stalls, built on authentic Thai flavours.

Thaikhun celebrates that journey, bringing the vibrant spirit of Bangkok's streets to life through honest, authentic and delicious Thai street food, inspired by the flavours of home.

SAWASDEE!

Born and raised in Chiang Mai, my love for cooking began in our family's village restaurant, learning from my mum and aunt. Since joining Thaikhun as Executive Chef in 2018, I've been bringing the authentic flavours and street food spirit of Thailand to our kitchens.

My goal is simple: to create honest, delicious Thai food that connects people with Thailand's culture, flavours and memories.
